Honorable Paul A. Engelmayer  
United States District Judge

**Re: *United States v. Richard Rubin, et al.*, 20 Cr. 632 (PAE)**

Dear Judge Engelmayer:

The Government writes in advance of the initial conference scheduled for December 15, 2020 to respectfully request that the Court exclude time under the Speedy Trial Act between today and that initial conference. The exclusion of time will enable the Government to prepare discovery for production and will allow the parties to continue discussions about a resolution of the case. The Government submits that the interests of justice outweigh the interests of the defendants and the public in a speedy trial.

The Government has conferred with defense counsel for both Richard Rubin and Thomas Craft, and counsel for both defendants consent to the exclusion of time.

Respectfully submitted,

AUDREY STRAUSS  
Acting United States Attorney
